BETWEEN THE

OF THE FLATHEAD RESERVATION**

Section 1. Nature of Document, Parties

This is an annual funding agreement (AFA) between the United States Fish and Wildlife Service (FWS) and the Confederated Salish and Kootenai Tribes of the Flathead Reservation (CSKT). The FWS is an agency of the United States Department of the Interior, acting under delegation from the Secretary of the Interior (Secretary). The CSKT is a federally-recognized Indian Tribe represented by its Tribal Council, participating in the Tribal Self-Governance Program established by the Secretary under § 401, 25 U.S.C. § 458aa, of the Indian Self-Determination and Education Assistance Act, Pub. L. 93-638, as added by § 204 of the Tribal Self-Governance Act of 1994, Pub. L. 103-413.

Section 2. Purpose

A. *Fund and Perform Activities.* The purpose of this AFA is to establish the terms and conditions under which the FWS will fund and the CSKT will perform programs, services, functions, and activities, or portions thereof (Activities) at the National Bison Range Complex in Montana (NBRC). The Secretary, by a list published in the *Federal Register* at 67 F.R. 16431, 16434 (April 5, 2002) has identified some elements of programs at the NBRC as eligible for inclusion in an AFA.

B. *Recognize and Further Relationship and Significance.* This AFA recognizes and furthers:

1. *Government-to-Government Relationship.* The government-to-government relationship that exists between the Federal government and the recognized Indian Tribes of the United States generally, and the CSKT specifically; and

2. *Special Significance.* The special geographic, historical, and cultural significance to the CSKT of the National Bison Range Complex within the boundaries of the Flathead Reservation.

Section 3. Authority and Interpretation

A. *Authority.* This AFA is authorized by:

1. *Title IV of the Act.* Title IV of the Indian Self-Determination and Education Assistance Act, Pub. L. 93–638, as added by § 204 of the Tribal Self-Governance Act of 1994, Pub. L. 103–413, and particularly § 403(c) of the Act, 25 U.S.C. § 458cc(c), which concerns additional activities administered by the Secretary, and § 403(i)(1) of the Act, 25 U.S.C. § 458cc(i)(1), which, except as otherwise provided by law, requires the Secretary to interpret each Federal law and regulation in a manner that will facilitate the inclusion of programs, services, functions, and activities, or portions thereof, in an AFA, as well as overall implementation of an AFA; and

2. *Tribal-Self Governance Regulations.* The Department of the Interior regulations at 25 C.F.R. Part 1000—Annual Funding Agreements Under the Tribal Self-Government [(sic)] Act Amendments to the Indian Self-Determination and Education [sic] Act (Tribal Self-Governance Regulations).

B. *Federal and Tribal Laws and Regulations*

1. *Interpretation.* Except as provided in section 3.B.2 of this section of this AFA for compliance with Federal and Tribal laws and regulations, in section 17.C of this AFA for Tribal Administrative Procedures, and in section 17.D of this AFA for Indian preference, this AFA shall be interpreted solely under, and consistent with, Title IV of the Act, the Tribal Self-Governance Regulations, and other applicable Federal laws and regulations

2. *Compliance.* In conducting any Activity covered by this AFA, the CSKT will comply with all applicable Federal and Tribal laws and regulations. This provision is not intended to expand the applicability of any Federal or Tribal law or regulation. In case of any conflict between a Federal law or regulation and a Tribal law or regulation, the Federal provision will govern.

DRAFT

Section 8. Performance Standards

A. *Generally.* The CSKT will perform each Activity covered by this AFA in a manner that supports and otherwise is compatible with the National Wildlife Refuge System Administration Act, 16 U.S.C. §§ 668dd and 668ee, as amended, and with the purposes of the National Bison Range Complex; the protection and enhancement of fish and wildlife resources, the natural environment, public health and safety, and positive visitor experience; and the public images and missions of the National Bison Range Complex, the National Wildlife Refuge System, and the FWS.

B. *Operational Standards.* The CSKT will perform each Activity covered by this AFA in compliance with all applicable Operational Standards.

C. *Waivers.* The CSKT may request that the Secretary waive a regulation in accordance with the procedures in § 403(i)(2) of the Act, 25 U.S.C. § 458cc(i)(2), and the Tribal Self-Governance Regulations at 25 C.F.R. Part 1000, Subpart J.

D. *Interpretation.* For purposes of compliance by the CSKT with an Operational Standard:

1. *Refuge Manager.* The Refuge Manager's interpretation of the Operational Standard will govern; and

2. *CSKT.* Where the CSKT is required to comply with an Operational Standard that does not literally apply to the CSKT, the CSKT will comply with the Operational Standard as though it specifically named the CSKT as a person required to comply.

E. *Environmental Compliance.* In conducting an Activity, the CSKT will comply with all applicable Operational Standards concerning the environment, except that:

1. *National Environmental Policy Act of 1969.* The FWS will determine when it must comply with the National Environmental Policy Act of 1969 (NEPA), 42 U.S.C. §§ 4321–4335, for an Activity. The Refuge Manager will give the CSKT written notice of, and the FWS will complete, the NEPA process for the Activity.

2. *Historic Preservation.* The FWS will determine when an Activity implicates the National Historic Preservation Act (NHPA), 16 U.S.C. §§ 470-470mm, or another cultural resource law, regulation, or policy. The Refuge Manager will give the CSKT written notice of, and the FWS will complete, any associated administrative compliance process.

3. *Clearance to Proceed.* After receiving written notice from the Refuge Manager under subsection 8.E.1 or 8.E.2 of this section of this AFA, the CSKT will refrain from performing any part of the Activity until the Refuge Manager gives the CSKT written clearance and, where applicable, instructions on how to proceed.

F. *Construction Review and Inspection.*

1. *Review and Approval of Plans, Specifications, and Drawings.* To the extent the CSKT is responsible for preparing or providing design, engineering, or construction plans, specifications, or drawings for any construction covered by this AFA, the CSKT will consult with and incorporate or otherwise adequately respond to the comments of the Refuge Manager concerning those plans, specifications, or drawings, including review and tentative approval of them by the Refuge Manager at approximately the 25% and 75% stages of their completion. The CSKT will not start any construction covered by this AFA without prior written approval from the Refuge Manager of all associated design, engineering, and construction plans, specifications, and drawings.

2. *Inspection System.* The CSKT will use an inspection and reporting system, implemented by appropriate professionals, adequate to verify and document to the FWS that any construction covered by this AFA was performed to all applicable Operational Standards.

G. *Use of CSKT Performance Standards.*

1. *Equally Protective.* With the prior written approval of the Refuge Manager, where the CSKT is required to comply with an Operational Standard in performing an Activity the CSKT may substitute for the Operational Standard a written performance standard used by the CSKT in performing a similar activity for CSKT purposes as long as the CSKT standard is equally or more protective of the resources and equipment of the National Bison Range Complex as the corresponding Operational Standard.

2. *Refuge Manager Oversight.* If the Refuge Manager finds that the CSKT's performance of an Activity in compliance with a CSKT performance standard would cause, or is causing, less protection of the resources or equipment of the National Bison Range Complex than would result from compliance with the applicable Operational Standard, the Refuge Manager will give the CSKT written notice of that finding, including, where appropriate, a suggested revised performance standard. Upon receiving such notice, the CSKT will either adopt and perform the Activity in compliance with the sug-

DRAFT

gested revised performance standard, or will perform the Activity in compliance with the applicable Operational Standard.

H. *Disclaimer.* Nothing in this AFA is intended to exempt the CSKT from complying with any Federal law, regulation, or other provision that otherwise would apply to the CSKT.

Section 9. Records and Other Information

A. *General Requirement.* The CSKT will collect, maintain, and provide to the FWS all records and other information the FWS needs to comply with all requirements imposed on the FWS by statute or regulation with regard to any Activity, including but not limited to records and information concerning construction, finance, environmental compliance, the performance of IPA Employees, and claims based on property damage, injury, or death. Also see section 8.F.2 of this AFA concerning reporting associated with construction.

B. *Activity Records.* To the extent the FWS requires a written record for its budget appropriation and apportionment processes, and the FWS informs the CSKT in writing of that requirement and how it applies to an Activity, the CSKT will maintain an accurate written record of the CSKT's performance of the Activity (Activity Record). Upon request and with reasonable advance notice, the CSKT will provide to the FWS a copy of any Activity Record. Each Activity Record will contain information sufficient to document the nature of the Activity and when, where, and by whom it was performed. The Refuge Manager and the Coordinator will cooperate to ensure that the level of detail in Activity Records is adequate for FWS purposes without imposing an undue administrative burden on the CSKT.

C. *Financial Records and Reports.*

1. *Records of Expenditures.* Using standard accounting practices, the CSKT will maintain financial records of its expenditures of the funds the FWS provides to the CSKT under this AFA. The CSKT will provide those financial records to the FWS to the extent the FWS requires them for its budget appropriation and apportionment processes, or in the event of a retrocession or reassumption under section 16.B or 16.C of this AFA.

DRAFT

2. *Financial Status Report.*

a. *Final Report.* Within 90 days after the last date of the term of this AFA, the CSKT will submit to the Contracting Officer a completed Standard Form 269, Financial Status Report (Long Form), or its successor, concerning the funds the FWS provided to the CSKT under this AFA.

b. *Interim Report.* Within 90 days after the effective date of a retrocession or reassumption under section 16.B or 16.C of this AFA, the CSKT will submit to the Contracting Officer a completed Standard Form 269, Financial Status Report (Long Form), or its successor, concerning the funds the FWS provided to the CSKT under this AFA and the CSKT expended through the effective date of the retrocession or reassumption.

D. *Consistency with FWS Needs and Practice.* The CSKT will provide to the FWS all records and other information covered by this section 9 of this AFA in a manner and format consistent with FWS needs and practice.

E. *Inapplicability of FOIA and the Privacy Act.* As provided by the Tribal Self-Governance Regulations at 25 C.F.R. § 1000.392, FOIA does not apply to records maintained solely by the CSKT under this AFA. As authorized by the Tribal Self-Governance Regulations at 25 C.F.R. § 1000.393 and as elected by the CSKT, records maintained by the CSKT under this AFA are not subject to the Privacy Act.

F. *Conflicting Requirement.* The CSKT need not take any action under this section 9 of this AFA that would conflict with any Federal law or regulation applicable to the CSKT and governing audits and administrative records.

Section 10. Performance Assessment, Reporting, and Review

A. Monitoring, Evaluation, and Notice of Performance.

1. *Monitoring.* The FWS, at such times and places as it deems appropriate, will monitor and evaluate the performance of the CSKT under this AFA, and will notify the CSKT of any deficiency in that performance. Monitoring by the FWS may include:

3. *Notice to CSKT.* The FWS will notify the CSKT concerning the performance of the CSKT under this AFA, as follows:

a. *Comments.* The FWS promptly will notify the Coordinator in writing of each written comment and documented oral comment received by the FWS concerning the CSKT's performance of any Activity. The FWS will provide that information to the CSKT in accordance with FOIA and the Privacy Act. The FWS will provide that information to the CSKT on its own initiative, without receiving a FOIA request from the CSKT. If the FWS withholds any information from the CSKT concerning a comment, the CSKT may seek disclosure of that information in accordance with FOIA. The FWS will not take any action regarding the CSKT's performance under this AFA on the basis of any oral comment that the FWS did not document in writing, or any comment that the FWS did not promptly provide to the Coordinator.

b. *Performance Deficiency.* Where the FWS finds a deficiency in the performance of the CSKT under this AFA, the FWS will notify the CSKT of the deficiency, as follows:

(1) *Oral Notice.* The Refuge Manager orally will notify the Coordinator of any performance deficiency that is minor, an obvious oversight, or of an emergency nature.

(2) *Written Notice.* The Refuge Manager will notify the Tribal Council in writing of any other performance deficiency, including any performance deficiency that constitutes grounds for reassumption under section 16.C of this AFA. The written notice will identify the Activity and describe the performance deficiency at issue, the applicable Operational Standard or term or condition of this AFA, and why the performance of the CSKT does not meet the Operational Standard or term or condition. The notice will give the CSKT a reasonable amount of time to either remedy the performance deficiency or establish that no performance deficiency exists, the amount of time to be set by the Refuge Manager depending on the nature of the deficiency.

DRAFT

B. Final Report and Review.

1. *Final Report.* Except as provided in sections 16.B.5 and 16.C.3.e for a retrocession or reassumption, within 30 days of the end of the term of this AFA, the CSKT, in consultation with the Refuge Manager, will prepare and submit to the Refuge Manager a final report on each Activity performed by the CSKT under this AFA. The report will include an introduction, major accomplishments, and status of resources. The report will reference, and will describe the CSKT's performance of each Activity in relation to, all applicable NBRC Baseline Data, and will contain information sufficient for the Refuge Manager, the FWS, and the Secretary to prepare any required report concerning this AFA. See section 9.C.2 of this AFA concerning the requirement for the CSKT to submit a financial status report.

2. *Final Performance Review.* After the CSKT submits its final report to the Refuge Manager, but prior to the expiration date of this AFA, the Coordinator will meet with the Refuge Manager to discuss the performance of the CSKT under this AFA, and any problem the FWS foresees in the administration or implementation of a Subsequent AFA.

Section 11. Personnel

A. *General Staffing.* The CSKT will perform the Activities covered by this AFA employing the services of CSKT Employees, CSKT Contractors, or CSKT Volunteers. The CSKT will manage each CSKT Employee, CSKT Contractor, and CSKT Volunteer to comply with this AFA.

B. *Coordination.* The CSKT will designate a Coordinator to manage the performance of the Activities covered by this AFA, and to manage each CSKT Employee, CSKT Contractor, and CSKT Volunteer performing those Activities.

C. *Training and Skill.* The CSKT will ensure that each CSKT Employee, CSKT Contractor, and CSKT Volunteer has sufficient training, skill, and experience to properly and safely perform each Activity the CSKT assigns her or him to perform.

DRAFT

D. *Uniform.* While performing an Activity:

1. *CSKT Employee.* Each CSKT Employee will wear a uniform that clearly identifies her or him as a CSKT Employee.

2. *CSKT Contractor and CSKT Volunteer.* Each CSKT Contractor and CSKT Volunteer will display an identification card, arm band, or other readily visible indication that she or he is a CSKT Contractor or CSKT Volunteer.

E. *Affected Federal Employees.*

1. *Information.* Promptly after executing this AFA, the FWS and the CSKT will discuss with each Affected Federal Employee all available options for her or his employment under this AFA.

2. *Opportunity to Elect.* Promptly after executing this AFA, the FWS and the CSKT will give each Affected Federal Employee an opportunity to elect from the available options for employment under this AFA.

a. *IPA Agreement.* Continued employment by the FWS with an assignment to the CSKT under an IPA Agreement;

b. *Employment by CSKT with CSKT Benefits.* Direct employment by the CSKT as a CSKT Employee with CSKT benefits;

c. *Employment by CSKT with Federal Benefits.* Upon the election of both the Affected Federal Employee and the CSKT, as provided by § 104 of the Act, 25 U.S.C. § 450i, direct employment by the CSKT as a CSKT Employee with Federal benefits; or

d. *Reassignment.* Where practicable, reassignment by the FWS to another duty station.

4. *Reduction in Force.* The FWS will conduct a reduction in force to eliminate the position of any Affected Federal Employee who rejects all of the available options for employment under this AFA or, where applicable, who the FWS cannot reassign to another duty station.

DRAFT

5. *Employment Under an IPA Agreement.*

a. *Execute IPA Agreement.* Promptly after executing this AFA, the FWS and the CSKT will execute an agreement under the Intergovernmental Personnel Act (IPA), 5 U.S.C. §§ 3371-3376, and any applicable implementing regulations and procedures, covering each Affected Federal Employee who elects to continue employment by the FWS with an assignment to the CSKT under an IPA Agreement.

b. *Continuation of Employment.* In the case of an assignment of a Federal employee to an Indian tribe, the IPA at 5 U.S.C. §§ 3372(a)(2) authorizes the FWS, under delegation from the Secretary, to “extend an initial period of assignment for any period of time where it is determined that this will continue to benefit both the executive agency and the Indian tribe or tribal organization.” The FWS and the CSKT agree that extending the initial period of assignment for each Affected Federal Employee will continue to benefit the FWS and the CSKT for the full terms of this AFA and each Subsequent AFA. Except for a retrocession or reassumption under section 16.B or 16.C of this AFA, where the FWS extends the assignment of an Affected Federal Employee under an IPA Agreement the CSKT will continue to retain the Affected Federal Employee under the IPA Agreement for the full terms of this AFA and each Subsequent AFA.

c. *Performance and Conduct.* If the CSKT finds a deficiency in the performance or conduct of an IPA Employee, the Refuge Manager and the Coordinator will confer, and the FWS will apply Federal personnel procedures to correct any such deficiency.

6. *Direct Employment by the CSKT.*

a. *Employment Election.* The CSKT will employ directly as a CSKT Employee each Affected Federal Employee who elects that option. As elected by the Affected Federal Employee, the CSKT will provide to the Affected Federal Employee either CSKT benefits or Federal benefits.

b. *Continuation of Employment.* The CSKT will give each Affected Federal Employee who elects direct employment by the CSKT as a CSKT Employee the highest level of protection of continued employment and retention of benefits afforded to any other employee of the CSKT.

DRAFT

7. *Duties and Responsibilities.* The CSKT will assign each Affected Federal Employee solely to perform one or more Activities covered by this AFA, with duties and responsibilities commensurate with her or his training, experience, and salary, and reasonably equivalent to her or his position with the FWS.

8. *Nondiscrimination.* The CSKT will not in any way discriminate against any Affected Federal Employee.

Section 12. Consideration

A. *Attachment B.* In return for the CSKT performing the Activities covered by this AFA in accordance with the terms and conditions of this AFA, and subject to the terms and conditions in this section 12 of this AFA, the FWS will provide the CSKT the consideration specified in Attachment B of this AFA. Generally, Attachment B specifies two types of consideration:

1. *IPA Employees.* Assignment by the FWS to the CSKT of those Affected Federal Employees who elect to continue Federal employment under this AFA pursuant to an IPA Agreement; and

2. *Appropriated Funds.* Appropriated funds, as follows:

a. *Program Funds.* The program funds, less the salary and benefits of IPA Employees, that the FWS would allocate to performing the Activities covered by this AFA if the FWS itself performed those Activities; and

b. *Contract Support Costs.* Any contract support costs the FWS provides to the CSKT under subsection 12.C of this section of this AFA.

B. *Cost of IPA Employees.* The FWS will pay the salary and benefits of employing each IPA Employee. To cover those costs, the FWS will reduce the funds the FWS otherwise would pay to the CSKT under this section 12 of this AFA by an amount equal to the salary and benefits of the IPA Employee. If an IPA Employee resigns or otherwise terminates employment with the FWS, the assignment of that employee under the IPA and the obligations of the CSKT under the corresponding IPA Agreement will end. At the end of the IPA assignment, the FWS will pay the CSKT the amount the FWS would have spent on the salary and benefits of the IPA Employee from the date of termination of her or his employment through the last date of the term of this AFA or the effective date of any applicable retrocession or reassumption, using the payment procedures in subsection 12.D.2.b of this section of this AFA.

DRAFT

C. *Contract Support Costs.* The FWS will not provide the CSKT any funds or other consideration to pay for indirect costs associated with performing the Activities covered by this FY 2005 AFA. For Subsequent AFA's, the CSKT will develop a budget and justification for Contract Support Costs, will document the indirect cost rate approved by the Interior Inspector General, as provided in the Tribal Self-Governance Regulations at 25 C.F.R. § 1000.138, and will identify the portion of that indirect cost rate that applies to Contract Support Costs. The CSKT will give that information to the FWS during negotiations for each Subsequent AFA, and will update that information as necessary for use by the FWS in seeking funds for Contract Support Costs in accordance with section 403(g)(3) of the Act, 25 U.S.C. § 458cc(g)(3).

D. *Transfer of Consideration.*

1. *Affected Federal Employees.*

a. *IPA Employees.* The FWS will assign each IPA Employee to the CSKT on the effective date of this AFA.

b. *Reduction in Force.* Pending the completion of any reduction in force under section 11.E.4 of this AFA, the FWS will continue to perform all Activities, or portions thereof, associated with each position covered by the RIF. Upon completion of the RIF, the FWS will pay the CSKT the balance of the salary and benefits of each position covered by the RIF, from the effective date of the RIF through the remainder of the term of this AFA, using the payment procedures in subsection 12.D.2.b of this section of this AFA.

2. *Payment of Funds.*

a. *Initial Payment.* Within 30 calendar days of receiving from the CSKT a completed Standard Form 270, Request for Advance or Reimbursement, or its successor, dated on or after the effective date of this AFA, the Contracting Officer will obligate and the FWS will pay the CSKT all funds that:

(1) *Appropriated.* Congress has appropriated and are available for expenditure by the FWS on the Activities covered by this AFA;

(2) *Allocated.* The FWS has allocated to the Region for expenditure on the Activities covered by this AFA; and

DRAFT

(3) *Due.* Are due to the CSKT as consideration under this AFA.

b. *Additional Payments.* If at any time Congress has appropriated to the FWS or the FWS has allocated to the Region, and as a result the FWS has paid the CSKT, less than all of the funds due to the CSKT under this AFA, the Contracting Officer will obligate and the FWS will pay the CSKT the balance due only to the extent additional appropriations and allocations become available. The Contracting Officer will obligate and the FWS will pay any such additional funds within 30 days after Congress appropriates and the FWS allocates the funds for expenditure on Activities. In determining the balance due to the CSKT under this AFA at any time, the FWS will take into account any applicable increase or decrease in funding provided for this AFA.

E. *No Reallocation or Reprogramming of Consideration.* Consistent with 25 C.F.R. §§ 1000.397–1000.399 and 402, the CSKT will use the funds the FWS provides to the CSKT under this AFA, and any interest the CSKT earns on those funds, only to perform the Activities covered by this AFA.

F. *Congressional Increases.* Using the payment procedures in subsection 12.D.2.b of this section of this AFA, the FWS will provide to the CSKT any increase in funding appropriated by Congress to fund any Activity.

G. *Lobbying.* The CSKT will not use any of the funds the FWS pays the CSKT under this AFA to lobby Congress in any manner prohibited by Federal law.

H. *Funding Errors or Omissions.* There may be errors or omissions that necessitate adjustment of the funds the FWS provides to the CSKT under this AFA. The FWS and the CSKT will make any such adjustment of funds by amending this AFA as provided in section 20.A of this AFA.

I. *Anti-Deficiency Act.* The performance of the FWS under this AFA is subject to compliance by the FWS with the requirements of the Anti-Deficiency Act, 31 U.S.C. § 1341. The Contracting Officer has executed this AFA solely for the purpose of approving the procedures of this AFA that govern the subsequent obligation and payment of funds. Nothing in this AFA shall be construed as requiring the Contracting Officer to obligate, or the FWS to provide to the CSKT, any consideration for which Congress has not appropriated funds to the FWS, or the FWS has not allocated funds to the Region, for expenditure on the Activities covered by this AFA

Section 13. Property

A. *Availability and Use.* On the date of execution of this AFA or as otherwise appropriate, the FWS will make available to the CSKT for non-exclusive use in performing the Activities covered by this AFA, all equipment, materials, and supplies (Available Property) and Real Property that currently are used or may be acquired by the FWS for performing those Activities. Upon request by the FWS, the CSKT will make all Available Property and Real Property readily accessible to the FWS.

B. *Inventories of Available Property and Real Property.* Attachment C is an inventory of existing Available Property, including the nature, condition, and each item that cost \$500.00 or more, or which the FWS otherwise considers sensitive property. Attachment D is an inventory of existing Real Property, including an assessment of the condition of each item that cost \$5,000.00 or more. The FWS will update these inventories as needed to reflect any change in Available Property or Real Property, and will provide to the CSKT a copy of the updated inventory.

C. *NBRC Baseline Data.* On or before the effective date of this AFA, the FWS will provide to the CSKT all NBRC Baseline Data.

D. *Title and Ownership.* All Available Property, Real Property, natural resources for which title is held by the United States, and other property at the National Bison Range Complex will remain Federal property. E. *Repair, Replacement, and Disposal.* Subject to the availability of funds and the prior written approval of the Refuge Manager, the CSKT may repair or replace any item of Available Property as necessary for the CSKT to perform the Activities covered by this AFA. With the prior written approval of the Refuge Manager, the CSKT may dispose of any item of Available Property.

F. *Materials and Supplies.* Using funds the FWS provides to the CSKT under this AFA, the CSKT will acquire and pay for all materials and supplies the CSKT needs to perform the Activities of cleaning the office and visitor center under this AFA. Except as provided in subsection 13.H of this section of this AFA for the use of CSKT equipment, the FWS will provide to the CSKT all other materials and supplies needed to perform the Activities covered by this AFA.

H. *Use of CSKT Equipment.* The CSKT may, without additional funding from the FWS, perform any Activity using any equipment owned or otherwise available to the CSKT. The CSKT may use fuel and oil supplied by the FWS to fuel and lubricate that equipment. The Refuge Manager may restrict or prohibit such use of fuel or oil if the Refuge Manager finds that the use is being abused. The Refuge Manager will inform the Coordinator in writing of any such restriction or prohibition.

I. *Excess Property.* At the request of the CSKT, the FWS may transfer to the CSKT ownership of any facility, equipment, or other Federal property that is not needed for use by the FWS. Pursuant to Title IV of the Act and the Tribal Self-Governance Regulations, the FWS will facilitate transfer of any such property to the CSKT in accordance with Federal property procedures.

Section 14. Claims and Liability

A. *Federal Tort Claims Act.* In performing Activities under this AFA, the CSKT will be covered by the Federal Tort Claims Act (FTCA), 28 U.S.C. §§ 2671–2680, as provided by 25 U.S.C. § 450f(c); § 314 of Pub. L. No. 101-512; (*reprinted at* 25 U.S.C.A. § 450f, note); and applicable Tribal Self-Governance Regulations at 25 C.F.R. §§ 1000.270–1000.283. Except as otherwise provided by Federal law, in performing Activities under this AFA the CSKT accepts any risk not covered by the FTCA.

B. *Notice of Incident or Claim.*

Contractor is covered by workers' compensation insurance commensurate with that provided to CSKT Tribal government employees. The CSKT will hold the United States harmless from any unemployment or workers' compensation claim made by a CSKT Employee, other than an IPA Employee, or by a CSKT Contractor or CSKT Volunteer in connection with performing any Activity covered by this AFA.

Section 15. Emergencies and Unusual Events

A. *Notice.* The Coordinator promptly and orally will notify the Refuge Manager or, where the Refuge Manager is not available, another FWS Employee of any emergency or other unusual event a CSKT Employee, CSKT Contractor, or CSKT Volunteer observes in the physical area covered by this AFA. Where practicable, after otherwise learning of an emergency or other unusual event in the physical area covered by this AFA and affecting an Activity, the Refuge Manager promptly and orally will notify the Coordinator or, where the Coordinator is not available, another available CSKT Employee of the emergency or other unusual event, and of how the Activity is affected. The FWS and the CSKT will give each other the name, address, and telephone number of one or more persons to receive such notice in the absence of the Refuge Manager or the Coordinator.

B. *Temporary Operation and Control.* Where necessary to deal with an emergency within the physical area covered by this AFA, the FWS temporarily may assume operation and control of any Activity, including supervising any CSKT Employee engaged in the Activity. When the emergency ceases to exist, the FWS will return operation and control over the Activity to the CSKT.

C. *Emergency Procedures.* In an emergency, the FWS and the CSKT will use the following procedures:

1. *Determination by Refuge Manager.* The Refuge Manager will determine when an emergency exists and when it has ceased to exist.

2. *Notice to CSKT Employees.* The Refuge Manager will notify the Coordinator or another available CSKT Employee that an emergency exists, as provided in subsection 15.A of this section of this AFA.

DRAFT

3. *Response of the CSKT.* Following notice of an emergency under subsection 15.C.2 of this section of this AFA, at the oral request of the Refuge Manager any CSKT employee performing an Activity will:

Upon later receiving notice of the emergency, each CSKT employee who is responsible for performing the Activity will respond as provided in subsection 15.C.3 of this section of this AFA.

5. *Emergency Has Ceased to Exist.* When the Refuge Manager determines that an emergency has ceased to exist, the Refuge Manager orally will notify the Coordinator or, where the Coordinator is not available, another available CSKT employee, of that fact, and orally will relinquish to the CSKT operation and control of any Activity over which the Refuge Manager had taken operation and control.

The FWS and the CSKT will then meet as necessary to negotiate any increase in funding or Activities covered by this AFA that may be appropriate as a result of any work done by the CSKT during the emergency. For any adjustment of funding, the FWS and the CSKT will amend this AFA as provided in section 20.A of this AFA.

To the extent the CSKT and the FWS are *not* negotiating a Subsequent AFA covering an Activity:
